Subject: Interview Update & Facility Change

Hi Sir Joel,

I've already done my visa interview and it went well. The consular officer said they'll be processing it already. Hopefully I'll receive my visa sometime next week.

Can I kindly request for a change of facility to Downtown Brooklyn as what we have discussed in the phone?

I'll also start looking for a place so I can come next month by February third or fourth week since I need to leave 6 months before my passport expiry.

Looking forward to your favourable response.

Thank you

Kind Regards,

Benzor
